Article 1—Definition and Format of Plans

1.1 Plans are defined as multi-year projects/frameworks that aim to fulfill the goals of the society.

Further, they:

1.1.1 Be relevant to the Society and relate to its mission;

1.1.2 Pertain to topics within the purview of the Society;

1.1.3 Be forward-looking and proactive in essence;

1.1.4 Be subject to the Constitution, By-Laws, and extant Policies of the Society;

1.1.5 Contain a sunset clause, which shall state a validity period of a minimum five (5) years and up
