Subject: Proposal for the March 31st, 2010 year end audit.

Madam, Sir,

We wish to thank you for the opportunity you have given us to present our proposal for the audit of the **SSMU Daycare Center** for the year ending March 31, 2010 as per the requirements established by the Ministère de la Famille, des Aînés et de la Coopération féminine, and the preparation of the organization's tax returns.

It is difficult to explain, within a proposal, the difference between an audit by **RENAUD SIMARD C.A. S.E.N.C.R.L.** and an audit performed by another accounting firm. However, we can assure you that our dedication, innovation, the quality of our employees combined with our personalized services and our active involvement in managing companies, have earned us a well deserved and enviable reputation as a tenable and professional company.

We offer more than a simple audit; we analyze your recommended improvements, your organization's internal control, the accounting system, internal controls or any other matter that may require your attention during our audit.

Our clients remain with us because they appreciate the quality of service we offer our devoted work, our availability, and our expertise while maintaining competitive fees.

According to the information we obtained about your organization, we estimate that our fees should not exceed \$5,500, plus applicable taxes. This proposal is based on the assumption that the accounting files are correct and that you can prepare the documents needed for our files. These fees may increase in addition to accounting work that is needed in order to perform our audit.

To the members of the board of Directors
CPD 11667

We hope that everything is to your satisfaction. If you require additional information, we are available to answer any questions.

Sincerely,

RENAUD SIMARD, CA, S.E.N.C.R.L.
