Report of the VP External to SSMU Council

Government affairs

1. TaCEQ

a) Referendum at AFELC UQAM

Faculty association famous for the youtube lipdub of "Tonight's gonna be a good night" are holding a referendum with four options: remain independent, join the ASSE, join the FEUQ, join TaCEQ. Referendum will be taking place this week. Along with TaCEQ exec and some CADEUL executives, I campaigned on UQAM campus for the TaCEQ option

b) Temporary unilingual website

In the interest of having a website ready for the AFELC referendum, members of the TaCEQ collaborated to throw cerated pt TaCEoCEpth the aesthetic

d) English by-laws translation

An interim, unedited direct translation of the by-laws is now available on the SSMU website on the TaCEQ page. Please check them out and let me know your feedback on the content (don't worry, we are working on the grammar and typos).

2. Campaigns

a) Paid Practicum

i) Worked with Education Rep to draft a resolution for SSMU endorsement of the Paid Practicum campaign

ii) more work on this to come…

Community Affairs

3. Community Action and Relations Endeavor (working title)

a) Developed first draft of proposal with Helene Brisson, member of the Milton-Parc Citizens Committee. Proposal divides the project up into three broad goals that we feel must be pursued in order to achieve an improvement in community relations.

i. Develop and maintain relations between the representative organizations of residents, of the student community, and McGill

ii. Throughout the academic year, implement various activities and programs to better relations between communities, specifically to prevent and solve problems.

iii. Develop a set of messages targeted to specific audiences from each constituency.
