

Resolution Regarding SSMU's Support for the Campaign for

WHEREAS Education students must register for four practicums over the course of their university degree, and;

WHEREAS practicums range from three to eight weeks in duration;

WHEREAS during the course of the practicum Education students take on over 70% to 100% of the cooperating teachers' course load, and;

WHEREAS Education students are not remunerated financially during their mandatory practicums, and;

WHEREAS the workload of the practicum typically forces students to suspend any
