overhead charges for self-funding (read: student su

3.

University Centre (aka Shatner) Lease: I am currently drafting a document making a case for an extension, and also proposing a new business model for the rental payment. It is not yet finished, and because it involves confidential agreements with the University I can't discuss certain details in open session. I strongly encourage any interested Councillors to email me, make an appointment, or come see me after the meeting.

Upcoming Meetings

13th Building Tour

15th Deputy Provost

16th Leadership Panel

Respectfully Submitted,

Ivan Neilson, President
