New Business

There were no items of new business submitted for this evening's meeting by the submission deadline of October 17, 2019 at 11:59 PM and as such, the Steering Committee did not have the opportunity to review any of this evening's late motions for appropriateness, format, or styling. This review will be conducted after this evening's meeting and will result in a significant delay in posting motions publicly.

A note to Councillors on the late submission of motions to remind that this practice is highly discouraged as it is disrespectful to not only the dais as it requires additional time outside of Steering Committee to review and format motions but also to fellow members of the Legislative Council as motions submitted late do not have the time for Councillors to consult
