Funding

Still underutilized funds:

Green Fund

Community Engagement Fund

First Year Fund

Mental Health Fund

In general, fund utilization is higher than usual which is a credit to both our student groups and our Commissioner/members

Ambassador Fund is running very low this year, surpluses from past years exhausted

Food - treated weirdly in the IRs which mandates a lot of food-related expenses to be denied which isn't really beneficial to student groups.

Health and Dental Plan

Health Insurance Working Group!

keep.MESAFE - underway at council today

IHI CFT, Blue Cross will be informed at renewal that McGill is looking to revise the plan next year

IHI only renewed for 2020-2021

Other Projects

IR Reviews - revisions to the Internal Regulations of Finance to bring them up to date with the practices of the Society
