

5 Year Plan

Presentation to Legislative Council By: SSMJ President Jemark Earle Background

Background

In 2018-2019, Former President Mansdoerfer created an executive plan to drastically expand the SSMU's o erings in the following departments: 1) Sta , 2) Operations, 3) Clubs, 4) Services, and 5) Finance. The SSMU currently lacks the infrastructure to support these ideas, to be forward looking and to focus on continual growth. The Executive turnover is extremely high and changing direction, and acting on impulsive one year decisions is the bane of student unions and results in ine ectiveness.

- This Plan aims to significantly expand the SSMU's o erings in the following departments: 1) Sta , 2) Operations, 3) Clubs, 4) Services, 5) Finance and 6) Advocacy.
- These sections have a major impact on the quality of service SSMU can provide to its constituents.
- This Plan will only be successful if it is prioritized at the Legislative Council level, the Executive level and internally at the SSMU Sta level.
