Mask distribution proposal

Statement regarding McGill's return to classes

Working with Councilors Javed and Coussa on feasibility of SSMU-run notetaking

Consultations have suggested that SSMU running this initiative itself might be an inefficient use of resources, but that it might be beneficial to see how SSMU can support faculty and department level note-taking programs.

Supporting individual students with exam issues

An increase in issues with the OSD administering final exams

Assisted with distribution of statement in support of Ms. Anvari

Thank you to the McGill Coalition Against Bill 21 for writing such a great message of support!
