SSMJ BOARD OF DIRECTORS PUBLIC MINUTES

November 15, 2023

A

Director Heisele Cubilla responds that there would be a 3 month per usage. She offers to table motion indefinitely.

Director Wan asks if student groups events with 100 students are held often?

A

Director Heisele Cubilla responds that for hybrid events, there are five (5) a month. Much more student group events are held in-person, but the event was moved online for last minute events.

Director Sader mentions that a 3 month subscription has been budgeted. If following the budget, there is a deficit for the year covered from the last year surplus. He encourages Directors to be assured that there is the money to cover initiative, and he inquires whether this is the best use for the money.

Director Downie responds that how many uses this period may be actually used for.

Officer Delouvrier builds on points of speakers, he mentions that it depends on the context. This is the option spent on other issues but to benefit students. He supports the initiative of Director Heisele Cubilla.

Director Coussa amends to do a three (3) month trial and then present a report on whether. Director Heisele Cubilla agrees with the friendly amendment.

Director Coussa motions to vote by unanimous consent, seconded by a Director. There is no opposition.

The motion is approved.
