The Agenda is adopted as modified.

5. Announcements

Director Paulin introduces the Anti-Violence Coordinator (AVC), Mæve.

The AVC notes that they have been receiving questions about accommodations under the Gendered and Sexual Violence Policy (GSVP). She notes that this Policy is important to be aware of in case individuals are interested to access this policy or if they have questions. Under the GSVP, an individual can request accommodations on the basis of having filed a formal complaint/complaine.
