SSMU LEGISLATIVE COUNCIL QUESTIONS

October 26, 2023

Question from a Constituent

"I am a Co-Captain of McGill Robotics, an EUS Design Team. I am here to ask about a change made to the funding during our annual meeting regarding a new contract. The team has been asked to sign a new contract that includes a clause that prohibits us from competing in other design competitions. This is a significant concern for us as it limits our ability to pursue other opportunities and potentially affects our funding sources. We would like to know if there is any way to address this issue or if there is any information available on the changes made to the funding contract."
