In all cases, the academic or personal challenges faced by our members during this time could have been mitigated or entirely prevented by proactive student involvement. Most glaringly, there is no student representation in the Emergency Operations Centre, in violation of [the Charter of Student Rights](#) and the [Act respecting the accreditation and financing of students' associations](#), which mandate student membership on university bodies creating policy that pertains to students. The SSMJ Legislative Council calls for a public terms of reference for this group which includes at least one student representative per student association.
